Admission

The College of Adult & Professional Studies (CAPS) will consider applicants who meet the [general requirements](#) for admission to the College. For admission to certain majors or certificates, applicants must meet [additional admission requirements](#).

Meeting minimal entrance requirements does not necessarily guarantee admission. Exceptions to minimum criteria may be made at the discretion of the admissions committee.

If there is reason to doubt the validity of the high school diploma, transcript, or recognized equivalent, Bethel University will follow its procedures to verify completion of high school, recognized equivalent of a high school diploma, or college coursework.

Students who have not achieved the minimum GPA, grade standards, or other assessment criteria may still apply to be considered for provisional acceptance. See [Admission Categories](#).
