REFUND POLICY

CAS Tuition & Fees and Housing Refund Policy: Students need to contact Student Life as their first step. The student fees are refunded in full through the 100% refund period. Students who withdraw after the Full Refund Period receive a pro-rata refund of institutional charges up to and including 50% of the enrollment period. The percentage of institutional charges and financial aid retained on the student's account is equal to the percentage of the period of enrollment that was completed.

CAS Meal Plan Refund Policy: Students with a meal plan who officially withdraw or choose to cancel their meal plan must email dining-services@bethel.edu. A student may receive a prorated refund of their meal plan.

CAS Financial Aid and the Refund Policy: The full refund period is the eighth calendar day after the beginning of the semester. Modular courses, which begin after the first week of the semester and/or end before the final week of the semester, also have a 100 percent refund period through the eighth calendar day of the course. If you withdraw from all classes during the first 8 calendar days of fall or spring semester, all of your financial aid will be refunded (removed from your account) unless you complete a Supplemental Withdrawal Form (available in the Office of Student Life), documenting your attendance at each class. Upon the receipt of the Supplemental Withdrawal Form, the federal financial aid refund policy will be calculated. If students receive a full (100%) refund of tuition, they are ineligible for any state, institutional, or private sources of financial aid. More information about the calculations is available at <https://www.bethel.edu/undergrad/financial-aid/tuition/refunds>.

CAPS Tuition and Fees Refund Policy: After registration, changes made to a student's schedule must be made in consultation with the Office of Student Success, and must be completed online by the student or in writing. Please note that changes may affect financial aid status. Students who drop a course will receive a full tuition refund for eight (8) calendar days unless the course is less than five weeks in length. Students that withdraw from a course, starting after the eight calendar days, will be granted a refund according to the sliding scale. Bethel fees (if applicable) are refunded in full through the 100% period. Thereafter, there is no refund of fees.

CAPS Financial Aid and the Refund Policy: Upon withdrawal, refunds of financial aid will be calculated. If you receive a full (100%) refund of tuition, you are ineligible for any federal, state, institutional, or private source of financial aid. More information about the calculations is available at <https://www.bethel.edu/adult-undergrad/financial-aid/tuition/refunds>.

GS Tuition and Fees Refund Policy: A student planning to withdraw must notify their Student Success Advisor before the enrollment deposit will be refunded. Please note that changes may affect financial aid status. Students who drop a course will receive a full tuition refund for eight (8) calendar days unless the course is less than five weeks in length. If less than five weeks in length, students will receive a full tuition refund through the first three (3) days of the course. These dropped courses must be made online or in writing on or before the 100% tuition refund period. Students that withdraw from a course, starting after the 100% tuition refund period will be granted a refund according to the sliding scale. Bethel fees (if applicable) are refunded in full through the 100% period. Thereafter, there is no refund of fees.

GS Financial Aid and Refund Policy: Because the institutional refund policy follows a different formula for reducing tuition, a student may still owe money to the school after all calculations are complete. A student considering withdrawal is encouraged to contact the financial aid team to determine the effect withdrawing would have on financial aid. More information about the calculations is available at <https://www.bethel.edu/graduate/financial-aid/tuition/refunds>.

Seminary Tuition and Fees Refund Policy: Students who withdraw *after* the Full Refund Period receive a pro-rata refund of institutional charges up to and including 60% of the enrollment period. The percentage of institutional charges and financial aid retained on the student's account is equal to the percentage of the period of enrollment that was completed

Seminary Financial Aid and the Refund Policy: Students who withdraw from all classes during the 100% tuition refund period will receive a full refund of all their financial aid. Students who drop a course will receive full tuition refund for eight calendar days unless the course is less than five weeks in length. If the course is less than five weeks in length, students will receive full tuition refund through the first 3 days of the course. Upon withdrawal, the federal financial aid refund policy will be calculated. If students receive a full (100%) refund of tuition, they are ineligible for any federal, institutional, or private sources of financial aid. More information about the calculations is available at <https://www.bethel.edu/seminary/financial-aid/tuition/refunds>.

STUDENT LOCATION FOR PROGRAM CURRICULUM DETERMINATIONS

Definition of "Location" for Bethel students enrolling or enrolled in programs leading to licensure:

- 1.If the student is living in Bethel campus housing while enrolled in the program, the student's "location" will be their campus housing address (i.e., Minnesota)
- 2.If the student is not located in campus housing, but has a temporary address in Banner (i.e., a student who lives off-campus), the student's location will be the state of their temporary address.
3. For all remaining students in licensure programs, "location" will be defined as the state of their mailing address.

Active Notification of Licensure Students Prior to Enrollment:

At the point of a student's acceptance and prior to making a financial commitment to Bethel (at each level: CAS, CAPS, Sem, GS) we identify students who have declared a major/minor/program in a field that leads to licensure. If it is determined that the student's location is in a state where the Bethel program does not meet licensure requirements, or we haven't determined if the Bethel program meets licensure requirements, we will send an email to that student with that information. Oversight of the program should reside either in the admissions office or the student success office, depending on when the "hand-off" takes place.

Active Notification of Licensure Students who Relocate to a different State after Enrollment:

Our passive information (website) includes a notification on the Licensure page describing how students who change location (to a different state) can update their address in Banner. Once a student notifies the institution of a change of location and has moved to a state where the program does not meet licensure requirements, the institution sends them an appropriate email.

STUDY ABROAD

A high percentage of Bethel students participate in one of the University's semester, January session, or summer off-campus study programs. TEACHER PREPARATION PROGRAM REPORT CARD

All of Bethel's teacher preparation programs (TPPs) are required to submit four reports to sustain accreditation compliance. Once a year, Bethel reports to the federal government Title II data: Number of students admitted; graduates; percentage of students of color; and related data. Annually, Bethel's TPPs submit Data Summary Reports to its Minnesota accreditor, the Professional Education Licensing Standards Board (PELSB): Data similar to the Title II data and various assessment results required by PELSB. Once every three years, Bethel's TPPs submit a report (PERCA) which indicates compliance with PELSB's rules and standards as well as any curricular changes in each program. Finally, every six years, Bethel's teacher prep programs participate in an extensive state accreditation site visit process. For the past several decades, Bethel has been in compliance with submitting all the reports cited above prior to their required deadlines.
