

2024-2025 Release of Information

Instructions: With written permission, a college may redisclose financial aid information to an organization, including federal tax information, that has been designated by the student (list below). A separate Release of Information form is required for each additional organization. Please send this completed Release of Information form to the Office of Financial Aid via our secure document upload tool: <https://www.bethel.edu/financial-aid/forms/secure-document-upload>

Student Name (print): _____

Bethel ID#: _____

Starting with the 2024-25 academic year, Federal Tax Information (FTI) submitted with the Free Application for Federal Student Aid (FAFSA) is protected under Internal Revenue Code as well as Higher Education Act rules. As a result, colleges are restricted on when and how tax information is shared. The following data received by the Internal Revenue Service (IRS) are considered FTI, starting with award year 2024-25 data:

- Tax Year (ex. Award year 2024-25 is based on 2022 tax year information from the IRS)
- Tax Filing Status
- Adjusted Gross Income (AGI)
- Number of Exemptions and Number of Dependents
- Income Earned from Work
- Taxes Paid
- Educational Credits
- Untaxed IRA distributions
- IRA deductible and payments
- Tax exempt interest
- Untaxed pension amounts
- Schedule C net profit/loss
- Indicators for Schedules A, B, D, E, F, H
- IRS response code

By completing this form, I give the Office of Financial Aid at Bethel University permission to release the following information, as indicated below, for the sole purpose of the application, awarding, or administration of financial assistance. I understand that this authorization will be effective for the 2024-25 aid year unless it is revoked in writing or if I am no longer enrolled at Bethel University. Check all that apply:

<input type="checkbox"/> Student Aid Index (SAI)	<input type="checkbox"/> MN State Grants/Scholarships
<input type="checkbox"/> Federal Grants	<input type="checkbox"/> MN State Work-Study
