Bethel University Race/Ethnicity Distribution Over Time By School

* **Notes:**

Beginning in 2010-2011, Bethel converted to the new federal standards for reporting race/ethnicity. This new method includes more specific categories, including the option for students to select more than one category (reported here as "Two or More Races") The old categories do not exactly match up with the new categories (for example, Hispanic/Latino was collected as one of many "race/ethnicities" prior to 2010-11, but is now collected as a stand-alone "ethnicity," despite having the same name going forward). Despite these changes in data collection, the following assumptions have been made between old and new categories in order to make comparisons across years.

Old Category (prior to 2010-11) ---> New Category (2010-11 and following)

Native American ---> American Indian / Alaska Native

Asian American ---> Asian

African American ---> Black / African-American

Hispanic/Latino ---> Hispanic/Latino

Non-Resident Alien ---> Non-Resident Alien

Caucasian ---> White

n/a ---> Native Hawaiian / Pacific Islander

n/a ---> Two or more races
