

SAN DIEGO COLLOQUY AGREEMENT AND RELEASE FORM

Name: _____

Student ID Number: _____

Please review the four statements below and indicate your agreement by signing and dating in the space provided.

1. SIGNED POLICY STATEMENT: I affirm that during the period of the Colloquy, I am not taking more than an ordinary course load (for seminary students, this is a maximum of 4 courses per semester). If accepted into the Colloquy, I will receive a stipend of \$400 at the end of the semester. This stipend is given in return for my time spent reading each of the four provided books (average of 200 pages each) and for attending the lunch and discussion meetings on *all* of the following days:

1. Friday, September 14, Noon – 2:00 pm
2. Friday, September 28, Noon – 2:00 pm
3. Friday, October 19, Noon – 2:00 pm
4. Friday, November 16, Noon – 2:00 pm
5. Friday, November 30, Noon – 2:00 pm

2. COLLOQUY ASSIGNMENTS: I will write an 8-page (2,400-word) paper summarizing my learning in this group, with explicit references to the books read. If the paper is not submitted on time, I understand that my stipend will be forfeited. I also understand that all papers will be entered into a contest and a \$500 prize will be awarded for the best paper in December 2018. Additionally, I will translate some of my reflections captured in the paper into a brief blog post to be shared with the Work with Purpose network.

3. ABSENCES POLICY: I understand that one excused absence is acceptable. An excused absence is only granted only for injury or illness or a death in the family and must be arranged before the missed session. After one unexcused absence, the student will be dropped from the group and his or her stipend will be forfeited.

4. CUMULATIVE GRADE POINT AVERAGE RELEASE: I hereby release my cumulative grade point average from the registrar's office to Interim Dean Jeannine Brown for the purposes of this application. (Note: There is no minimum GPA requirement to be eligible to participate, but it may become a consideration if an overwhelming number of applications are received.)
