Name: \_\_\_\_\_

Student ID Number: \_\_\_\_\_

**Please review the four statements below and indicate your agreement by signing and dating in the space provided.**

**1. SIGNED POLICY STATEMENT:** I affirm that during the period of the Colloquy, I am not taking more than an ordinary course load (maximum of 15 credits for Seminary students and 18 credits for MBA, MASL, and PA students). If I am accepted into the Colloquy and successfully complete the requirements, I will receive a stipend of \$400 (Seminary students) or \$140 (MBA, MASL, and PA students). This stipend is given in return for my time spent reading each of the four provided books (average 200 pages), writing a comprehensive paper (Seminary students only), and attending *all* of the following breakfast meetings:

1. Saturday, September 8, 8:00 am – 10:00 am
2. Saturday, September 22, 8:00 am – 10:00 am
3. Saturday, October 13, 8:00 am – 10:30 am
4. Saturday, November 10, 8:00 am – 10:30 am
5. Saturday, December 1, 8:00 am – 10:30 am

**2. SEMINARY STUDENT PARTICIPANTS ONLY:** I will write an 8-page (2,400-word) paper at the end of the Colloquy summarizing my learning in this group, with explicit reference to the books read. If the paper is not submitted on time, I understand that my stipend will be forfeited. I also understand that all papers will be entered into a contest and a \$500 prize will be awarded for the best paper in December 2018. Additionally, I will translate some of my reflections captured in the paper into a blog post that will be shared with the Work with Purpose network.

**3. ABSENCES POLICY:** I understand that one excused absence is acceptable. An excused absence is only granted only for injury or illness or a death in the family and must be arranged before the missed session. After one unexcused absence, the student will be dropped from the group and his or her stipend will be forfeited.

**4. CUMULATIVE GRADE POINT AVERAGE RELEASE:** I hereby release my cumulative grade point average from the registrar's office to Interim Dean Justin Irving for the purposes of this application. (Note: There is no minimum GPA requirement to be eligible to participate, but it may become a consideration if an overwhelming number of applications are received.)
