Admission

Overview

A seminary education provides excellent training for the ministry, regardless of a student's prior undergraduate or graduate experience. Students who have not yet completed their undergraduate degree should pursue theological studies with a strong emphasis in liberal arts. A broad, comprehensive college education will provide an edge during seminary years and also with the responsibilities associated with a ministry calling.

If there is reason to doubt the validity of the high school diploma, transcript, or recognized equivalent, Bethel University will follow its procedures to verify completion of high school, recognized equivalent of a high school diploma, or college coursework.
