

Checklist: CAPS, SEM, GS

Explore, Engage, and Execute - for God's glory and our neighbor's good

Who are you?

Looking back, how have you been shaped by your communities?

Who did God design you to be?

What are your gifts, interests, values, skills, strengths and cultural identities?

What gives you energy? Drains you?

Stage 1

- ☐ Take Strong Interest Inventory
- ☐ Create LinkedIn account
- ☐ Create Handshake account
- ☐ Create Resume

What is your God-given purpose?

What is your vision for your life in and outside of the world of work?

What motivates you?

How are faith & life integrated? Faith & work?

What are Career paths that align with your purpose?

Stage 2

- ☐ Informational Interview/Network
- ☐ Make LinkedIn Connections
- ☐ Gain industry experience (e.g. internship, part-time job, field work, etc.)
- ☐ Write out answers to behavior based interview questions
- ☐ Conduct mock interviews

What are your next steps?

How can your choices (even the small ones) make a difference in the world for God's glory and your neighbor's good?

What are your job or graduate school options?

What does it mean to make right choices in a broken world?

In what communities do you want to participate?

Where do you hope to be in 6 months and what supports do you need to get there?

Stage 3

- ☐ Internship/additional experiential learning
- ☐ Seek leadership roles
- ☐ Search for jobs
- ☐ Tailor resume, cover letter, and LinkedIn to job opportunities
- ☐ Conduct mock interviews
- ☐ Interview for jobs
- ☐ Accept a position

Bethel prepares you for your career by helping you understand how God uniquely created you. Our career curriculum provides opportunities for reflection and learning new skills, as well as coaching and support to put your knowledge to work. Many of these steps are facilitated in your coursework and built into co-curricular activities, plus our Career Coaches are ready to answer your questions and help you take the next steps toward your career.
