

ON-CALL SHUTTLES

How it Works: Call for a ride! **651.638.6000**

Request a ride from one stop to another. **Be ready at the stop location**; if the shuttle arrives and you are not present, it may need to leave to complete other pending requests.

While not typical, wait times may reach 30 minutes during heavy use periods.

Shuttles to all locations are on a first-come, first-serve basis. Shuttles may pick up or split simultaneous rides that cover similar routes. The shuttle is not able to visit off-campus locations that are not listed below.
