1. Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.)

2. The history department strongly encourages students considering graduate school to minor in at least one world language.

If a student chooses to use major requirements to count also as General Education requirements, the number of elective hours will be increased accordingly.

Students may choose a focus (at least 12 credits) in American, European (Ancient, Medieval, and Modern) or global history (see catalog for choices).

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
