*1. Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.)

If a student chooses to use major requirements to count also as General Education requirements, the number of elective hours will be increased accordingly.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
