1. Students must complete through the second semester of a first year language course or equivalent.

2. The Education Department offers an interim trip that meets the U requirement - EDU236UZ. See Education Abroad Options.

See Education section of catalog for testing requirements.

This program assumes a student will use PHY292/292D, EDU317GZ, and MAT124M to meet the general education Laboratory Science, Comparative Systems, and Math requirements.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
