\*1. All Spanish majors must have a semester-long experience in a Spanish-speaking setting outside the United States. Courses taken during the semester abroad are determined by year of study and student's level.

\*2. Students with previous experience in Spanish take a placement exam to determine which class is appropriate for their level of language competency. This class indicated by this exam should be taken during their first semester at Bethel.

This program assumes a student will use SPA301U to meet the general education World Cultures requirement. All language course 102 level and higher will meet the Language General Education requirement.

Double Majors should consult with their adviser for the second major to avoid sequencing problems.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 25 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
