\*1. Students with previous experience in Spanish take a placement exam to determine which class is appropriate for their level of language competency. The class indicated by this exam should be taken during their first semester at Bethel.

\*2. Double majors should consult with adviser for the second major to avoid sequencing problems.

\*3. See Education section of catalog for testing requirements.

This program assumes a student will use EDU317GZ and SPA310U to meet the general education Comparative Systems and World Cultures requirements. All language courses 102 level and higher will meet the Second Language General Education requirement.

Students seeking licensure in the State of Minnesota in a world language who are not native speakers of the language are required to demonstrate Intermediate - High level speaking proficiency as defined by ACTFL Proficiency Guidelines. Students are required to have an extended immersion experience in a country where their language of study is the primary language. Proficiency is evaluated on the MTLE which students are encouraged to take immediately upon their return.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
