1. Students may also choose to use this course to meet a General Education requirement.
 2. Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.)
- Because of possible double counting between General Education and the major, the actual credit total can be reduced to 122.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
