**Total Credits: 141**

- Students with previous experience in Spanish take a placement exam to determine which class is appropriate for their level of language competency. The class indicated by this exam should be taken during their first semester at Bethel.
  - All Spanish majors must have a semester-long experience in a Spanish-speaking setting outside the United States. Courses taken during the semester abroad are determined by year of study and student's level.
  - Double majors should consult with adviser for the second major to avoid sequencing problems.
  - All language courses 102 level and higher will meet the Language General Education requirement.
  - This program assumes a student will use EDU317GZ and SPA301U to meet the general education Comparative Systems and World Cultures requirements.
  - Approval into course may require testing or online pre-work with department approval.
- Students seeking licensure in the State of Minnesota in a world language who are not native-speakers of that language are required to demonstrate Intermediate - High level speaking proficiency as defined by ACTFL Proficiency Guidelines. Students are required to have an extended immersion experience in a country where their language of study is the primary language. Upon return, they are required to demonstrate proficiency on the ACTFL OPIC.
- Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
