

Classroom Material Sales

Materials Purchased at the Campus Store:

When the Campus Store sells materials for a class which a faculty member has had copied in Print Services, no charges will be added other than the cost for photocopying, copyright fees, and the standard Campus Store retail mark-up.

Materials Purchased from Instructor:

Copied materials needed for a class, (for which copyright permission has been granted) may be sold in class for no more than the instructor's cost of photocopying and any copyright fees.
