

Grade Submission

Grades will be due by 11:59 p.m. on a date no earlier than four days after the last scheduled final examination. The Registrar will determine and announce the exact date each semester, depending on the calendar.

Faculty are strongly encouraged to submit grades for each of their classes as soon as they are available, even before the deadline; i.e., completed grades for one class should be submitted even though grades for other classes are not yet complete.
