

This guide is intended for students completing the Psychology A.A. Transfer Pathway. Students who do not intend to complete the 60-credit program should contact [Bethel's Transfer Evaluation Specialist](#) for course selection advice. Completing the Minnesota Transfer Curriculum will waive most general education requirements. All courses must be completed with a "C" or better to transfer.

The table below lists the courses that have approved equivalencies at Bethel University or fulfill requirements for the B.A. in Psychology degree and most general education graduation requirements.

Inver Hills course	Credits	Bethel University course
PSYC 1101 General Psychology	4	PSY 100 Intro to Psychology
